Guideline Information Major & Minor Grant Applications

Please read these guidelines carefully. If you have any questions, please contact the Las Patronas Vice President/Grants at grants@laspatronas.org. More information is available on the Las Patronas website at www.laspatronas.org/grants-process.

Timetable

The fall application deadline is generally in late August. The spring application deadline is in early January. In 2020, the deadlines are **January 6, 2020** for our spring grant cycle (Minors only), and **August 28, 2020** for our fall grant cycle (Major or Minor applications).

Applications for Minor Grants (\$20,000 and under) are accepted in both the fall and spring grant cycles. In the fall, Minor Grants are chosen in November and funded in December. In the spring, Minor Grants are chosen in March and funded in April.

Applications for Major Grants (over \$20,000) are accepted **in the fall cycle only** and will be selected in November. Funds for Major Grants are pledged from monies that will be raised in connection with the **next year's** Jewel Ball and are funded in January after that Ball, **16 months** after the original deadline. **Please be sure you can wait 16 months to receive funding for your item(s) before submitting your application for a Major grant!**

For both Major and Minor Grants, funds must be spent on the requested capital item(s) within 60 days of receipt. When Las Patronas is asked to provide partial funding for an item, all additional funds required to purchase the item must be available **before** consideration of the grant request.

Eligibility

- The applicant must have had Federal 501(c)(3) and State 23701d tax exempt charitable status for at least three years.
- The applicant must have been established in San Diego for at least three years.
- Previously funded beneficiaries are eligible to submit a new application three (3) calendar years from the application date of their most recently funded grant. Applicants who are not funded may apply again immediately in the next cycle.
- Las Patronas will grant to only one arm of a multi-faceted or multi-programmed organization in any one grant cycle.
- Las Patronas will consider an application from a public or private school as long as the proposal addresses a critical need among a specific population attending the school. To qualify, the school must have Federal 501(c)(3) status, or must have an associated foundation or group with that status through which the application is being made (i.e., PTA, Foundation, or Friends).
- Las Patronas does not fund municipalities or government agencies; it will only consider organizations with Federal 501(c)(3) status as noted above. No other form of tax-exempt status qualifies.

Funding Guidelines

1. **Las Patronas will only fund specific, critically needed capital items that will have a useful life of at least three years and a significant beneficial impact on the San Diego community.** The items funded must remain with the requesting organization.
2. Las Patronas will not fund individuals, salaries, programs, training, warranties/service contracts, subscriptions, user licenses, separately purchased software, items for distribution, bank/investment accounts, endowments, general/reserve funds, operating costs or vehicle wraps.
3. Las Patronas will not make general contributions to building funds, only to rooms or buildings as part of the finished product. Las Patronas does not fund the acquisition of real estate.
4. Las Patronas will not fund existing obligations, deficits, debts, leases or reimbursements for items already purchased. Las Patronas will not fund additional amounts beyond the lowest bid submitted (for inflationary adjustments or other costs).
5. All funds must go to the requested capital item. No fees for overhead, asset management, fundraising costs or percentages to development personnel may be deducted from the funds.
6. Funded items must be used in San Diego County and benefit the inhabitants of San Diego County.
7. Beneficiaries must submit proof of purchase of the approved capital item(s) within 60 days of receipt of funds. Grant funds may only be used for items specifically approved by Las Patronas. Additional funds remaining after the approved items have been purchased must be returned to Las Patronas promptly. Failure to provide proof of purchase or return unused funds will disqualify the organization from applying for future Las Patronas grants.

Application Process

The Application Form must be submitted via the Las Patronas website after attaching a single PDF with all required supporting documents. All supplementary information must be merged into a **single PDF** named "[your organization]_supp.pdf" before beginning the upload process.
